

Dear Walking Fish Members,

Welcome to the Spring 2011 Season of Walking Fish, a community supported fisheries (CSF)! This is an exciting moment for Walking Fish with this being the start of a second delivery location! We feel privileged to be part of this effort and are humbled by the tremendous enthusiasm and support we are receiving.

Over the course of this season, we hope you will be inspired to share your thoughts, ideas, and feedback, as well as your recipes, cooking tips, and general CSF stories. This is an opportunity to connect, not just with food, but with people interested in local capacity building, healthy eating, vibrant communities and stewardship.

We want to encourage you to share your thoughts, ideas and recipes on our member's forum. This space can be used to buy, swap or trade shares if you are unable to pick up a share on a given week. Also, be sure to visit our Facebook page for links to interesting articles, recipes and photos (even if you don't have a Facebook account, you can still view the page)!

*Note: In an effort to reduce the use of plastic bags, please remember to bring something to transport your seafood home!
