

Dear Walking Fish Members,

Due to the low pressure system (Tropical storm Alberto) that has been off our coast this past week, the fishermen have not had the chance to get out and fish. They are out now but will not be back in to unload until the weekend. Fortunately, we are able to get more of the gorgeous channel net shrimp. They are getting bigger and are incredibly sweet and clean at this time of year.

For anyone interested, we will have Walking Fish aprons for sale at tomorrow's delivery! The aprons have an adjustable neck strap and three front pockets. The aprons are \$15.00 each.

Week 6: May 24th Delivery

Where: Sarah P. Duke Gardens (off of Anderson Street)

When: Thursday, 4 – 6 pm

Share Description:

SHRIMP – channel net caught in the Straits off of Core Sound

We will post a shrimp recipe on Facebook in the morning!
