

Dear Walking Fish Members,

The time goes by so quickly! Tomorrow is the last delivery for the spring season. Thanks for your participation in the Walking Fish CSF. We couldn't have done it without you!

Our next full season will begin in September, but we are planning to offer a mini-summer season in conjunction with the main run of shrimp. We will send everyone updates with sign up information when we have the details worked out.

The grouper are biting and Gilbert Mathis has been out catching them. This week everyone will be getting grouper and shrimp!

Hope you all have a wonderful summer!
